

June 2017

Greetings!

Apna Ghar provides holistic services and conducts outreach and advocacy across immigrant communities to end gender violence.

Your continued support helped us grow this year! We are now able to provide more services to more survivors of gender violence in more locations! We are also pleased to announce the release of our [2016 Annual Report](#) which we shared at our 9th annual Taste for Life gala on May 18th.

Thank you again for joining us at Taste for Life. We raised over \$100,000 to support the completion of our basement in our new safe home and for our other programs and services for survivors of gender violence. Photos are posted on our [website](#) and [Facebook page](#). You can still [contribute](#) to our campaign for our new safe home or set up a recurring gift.

We are grateful to have received a grant from the Illinois Criminal Justice

Information Authority (ICJIA) in partnership with [WINGS](#) to re-establish our transitional housing program. We now have a total of 8 apartment for survivors and their families. While in this program survivors work closely with their case manager to achieve personal and financial goals to enhance their safety and work towards stability and self-sufficiency. Thank you to all the donors who contributed items to furnish these apartments. Your generosity created safe and comfortable spaces where families will thrive.

*Setting up one of our transitional housing apartments*

*Court Liaison Amrita Hanjrah and other representatives from Chicago organizations at SAALT's 2017 Summit*

Our partnership with the domestic violence court continues to grow as do our advocacy efforts. In April, 2017 we participated in the [national summit organized by SAALT](#) where we continued our engagement with legislators and policy makers at the national level. We continue to grow and expand our outreach, training and community engagement efforts. We just completed our spring 40 hour domestic violence training.

Look for more news from us in August announcing our new co-located space with [Turning Point](#) in Skokie. This space will allow us to serve more suburban families affected by gender violence.

We hope you will join us at our [2nd Annual Golf Outing](#) "Tee Off Against Violence," on **Thursday, July 20, 2017** at the Willow Crest Golf Club at the Hilton Oak Brook Hills. The day will include lunch, a round of golf, followed by a dinner program. There will also be prizes and specialty holes. If you don't golf but want to still participate, there is a dinner only option as well. For more information and to register, visit [www.apnaghar.org/golf-](http://www.apnaghar.org/golf-)

[outing](#). We look forward to seeing you there!

Sincerely,

Neha Gill  
Executive Director
