Taste for Life is one of Apna Ghar's signature events, an evening featuring some of Chicago's top restaurants. This event brings together approximately 500 business and community leaders for a celebration honoring the gender violence survivors we serve and to reinforce our joint commitment to ending violence against women.

This year's Taste for Life will include some of Chicago's best and most generous restaurants: Bombay Wraps, Emilio's Tapas, and Hakka Bakka Kati Rolls, just to name a few. This year's featured guests include **Uzma Sharif** of Chocolat Uzma Sharif and comedian **Paul Varghese**.

You can see a full list of restaurants and get up-to-date information on the event at ApnaGhar.org/taste-for-life

Most importantly, by spending your evening with us, you're helping raise funds that sustain our work throughout the year. Your support allows us to provide culturally sensitive services to resolve immediate safety issues and build the foundation for a safe, secure, and self-sufficient life for immigrant survivors of gender violence. We are committed to empowering each of the women we serve to not just survive, but thrive. Your support of Apna Ghar is an investment in each of their lives.
