About Apna Ghar, Inc. (Our Home): For more than 25 years, Apna Ghar has provided holistic services and conducted outreach and advocacy across immigrant communities to end gender violence. Apna Ghar’s primary programs and services include a 24-hour crisis line, emergency shelter, counseling, case management, legal advocacy, supervised visitation and safe exchange, and education and outreach. Visit www.apnaghar.org for more information.

About Stride Against Violence: Stride Against Violence is Apna Ghar’s annual 5K to commemorate National Domestic Violence Awareness Month. Each year, the race attracts approximately 300-400 runners and walkers alike. The event features an easy 5K course along the Lake Shore Path, music entertainment, food and activities. There are opportunities for sponsors to have booths and provide information in the participant bags as well as create teams to raise awareness and funds to support our mission of ending gender violence. We hope you will consider our request for sponsorship. More information is available at apnaghar.org/stride-against-violence.
